

Details about our Traveling Farm Program

Thank you for choosing the Critter Barn for your special event. We look forward to serving you. We would like to discuss the following details with you.

Farm On the Go!	3 hours	\$750 ...additional hours at \$125/hour
Critters On Wheels	1 ½ hours	\$350 ...additional increments \$50/30 min

For Farm On the Go! we will arrive at your site 1 hour prior to the beginning of your event for set-up. For Critters On Wheels, 3/4 hour prior.

The Critter Barn does not set up or take down during an event.

Please have a water source ready when we arrive. A garden hose is sufficient.

Where do you want our display located?

If necessary, reserve a parking spot for our vehicles, and access to the setup location.

What weather related plans do you have?

No Food is allowed by the animals. Guests are not allowed to eat by the animals. If the animals are hand-fed at the event, the Critter Barn will provide the feed.

Occasionally, helium filled balloons have spooked our animals.

We rake all the leftover hay and straw bedding into one pile. Do you have a dumpster, an area that the bedding could be left in, or will your grounds crew take care of this?

Let us know if there is anything else we can do for you, such as demonstrations or talks, a special emphasis, application or additional activity.

Please have a check ready for the Critter Barn on the day of your event.

We do not require a deposit. Mary's cell phone is 616-218-1582. We want to be sure that you can reach us at the time close to your event. Feel free to use this phone number to contact me.

In appreciation,
Mary Rottschafer, Director
