

CRITTER BARN

EDUCATIONAL CHILDREN'S FARM

# CALLING ALL FARM HANDS

## Greetings from the Critter Barn

Here is what you can look forward to when you visit the Critter Barn.

There will be lots of learning, laughing and hands-on fun.

- Welcome by Ms Mary and volunteers
  - Meet the Horse, Steers and Donkeys
  - Enjoy our classroom presentation: life cycles, farm crops and food sources
  - Milk Dairy Goats
  - Meet the Goats and give them a treat
  - Go inside the Sheep pen
  - Visit Banty Chickens and Peafowl
  - Lucky Ducks Pool Party (if weather permits)
  - Eat Lunch, Bathroom Break and Browse around the farm
  - Children's Idea Garden and Orchard:
  - Tour the Farm Learning Stations with your Color Group
- The content and sequence will vary with seasons

Calves & Hogs

Bunny & Chicken Room

Pygmy Goat Pen

Muscovey & Domestic Ducks

Chicken Coop: Eggs & feeding

Bag Swing & West Barn

Supply Room & Garden

Ducklings & Kitty Corral

- Wash hands at the sink (this will happen throughout the day)
- Departure

Children are to be supervised and accompanied by adults at all times.

Animals at the Critter Barn are used to all sorts of visitors, but they like calm, quiet and gentle ones best. We talk about safety, but remember to keep hands and fingers outside of pens, and pet animals and birds on their backs, shoulders, neck and head: but not the lips. Be a smart visitor.

Critter Barn is Licensed by the USDA and Endorsed by Ottawa County Farm Bureau.
