

# Score Big for the Critter Barn Critter Crew and Friends 2018 Fundraiser

Saturday, November 17 • 1:00 pm - 3:00 pm

## BOWL for the BARN!

Dear \_\_\_\_\_

As a proud member of the Critter Barn volunteer crew, I am asking you to help support our farm and the many educational programs we offer to our community. People come every day to enjoy and learn about the farm animals.

Did you know that our Special Friends program impacts over 80 people each week? They volunteer at our farm, care for animals, wash eggs, and benefit from time with the animals. Our frequent travels to the three Holland-area Boys and Girls' clubs reach kids who otherwise would not get to the farm.

Being a volunteer, I work along with the staff at the Critter Barn. Helping at the farm has taught me how to work with a team, follow directions, solve problems from time to time, and care for all the needs of the animals.

Let me share this....

---

---

On November 17, a group of us are going to BAM in Holland to BOWL for the Barn. Please support me with a pledge as I bowl two games and raise support for the programs that impact kids in our community. Your gift will help the Critter Barn continue to serve.

In appreciation,

---
